The undersigned hereby certifies under 37 C.F.R. § 1.97(e)(1) that Canadian Patent No. CA2282443 was cited in a communication mailed on November 3, 2003 from a foreign patent office (Canadian Intellectual Property Office) in a counterpart foreign application, which communication is not more than three months prior to the filing of this Statement. The undersigned hereby certifies under 37 C.F.R. § 1.97(e)(2) that U.S. Patent No. 6,167,261 was not cited in a communication from a foreign patent office in a counterpart foreign application, and to the best of his knowledge after making reasonable inquiry, was not known to any individual designated in § 1.56(c) more than three months prior to the filing of this Statement. In particular, the undersigned obtained an electronic copy of U.S. Patent No. 6,167,261 from the USPTO website on December 18, 2003 after conducting an on-line search using information contained in Canadian Patent No. CA2282443 indicating that there was probably a counterpart U.S. filing.

Please place this information in the file for the Examiner.

Respectfully submitted,
